The Arriva Heritage Bus Fleet is generously providing a free bus service on 19th September. Donations taken on board will be given to The Holly Lodge Centre, providing activities to children with special needs in Richmond Park.

The service is bespoke and therefore difficult to accurately predict the timetable. Please bear with us if delayed.

The Heritage Routemaster buses do not provide access facilities to the same standard as modern buses. The bus stops are located where it is safe, which may be a short walk from Park facilities.

Well-behaved dogs on short leads enjoy bus trips too!
