

Richmond Park

Drinking water locations

There is drinking water available at the 10 places shown as **W** on the map.

In some places there are two fountains: one inside (**i**) the toilets and one outside (**o**).

Pembroke Lodge and Roehampton cafe provide free tap water (**t**).

The fountains inside the toilets at Sheen, Robin Hood, Kingston and Richmond gates charge 20p for entry.

The outside fountains are all free, but may be turned off in winter to avoid freezing problems.
